Validations/Result/Error Screens:

1. User Screens:

1. Home Page:

The screenshot shows a web browser window for the 'FlyAway Portal' at localhost:8080/FlyAway/home.jsp. The page has a blue header with the text 'Welcome to FlyAway Portal!' and a background image of a white airplane flying over palm trees against a clear blue sky.

Enter your search criteria:

FROM Chennai[MAS] <input type="button" value="▼"/>	TO Chennai[MAS] <input type="button" value="▼"/> Chennai[MAS] Bangalore[BGR] Trivandrum[TVM] Delhi[DEL]	DEPARTURE Date: <input type="text"/>	AIRLINE Air Asia <input type="button" value="▼"/>
--	---	--	---

Admin Login:

User Name:	<input type="text"/>
Password:	<input type="password"/>
<input type="button" value="Login"/>	

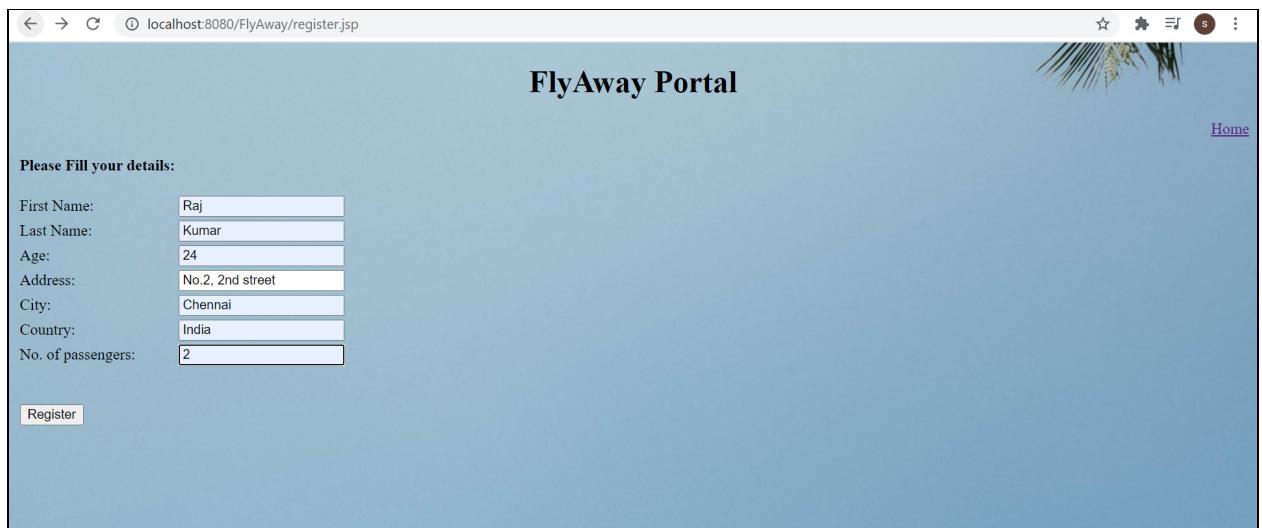

2. Search Flights Result Screen:

The screenshot shows a web browser window for the 'FlyAway Portal' at the URL localhost:8080/FlyAway/searchresult.jsp. The page has a light blue header with the title 'FlyAway Portal'. Below the header, there's a section titled 'Available Airline(s) Details:' with the sub-instruction 'Select and book your tickets.' A table displays flight information:

Select	Airline	FROM	TO	DEPARTURE	ARRIVAL	Price
<input checked="" type="radio"/>	Air Asia	Bangalore	Chennai	2021-10-10 08:20:00.0	2021-10-10 11:00:00.0	2000.0

Below the table is a 'Book Ticket' button. The background of the page features a photograph of an airplane flying in a clear blue sky.

3. User Registration Page:

The screenshot shows a web browser window with the URL `localhost:8080/FlyAway/register.jsp`. The page title is **FlyAway Portal**. On the right side, there is a decorative image of palm trees. Below the title, there is a link labeled **Home**. The main content area has a light blue background and contains the following text:
Please Fill your details:
A form with the following input fields:

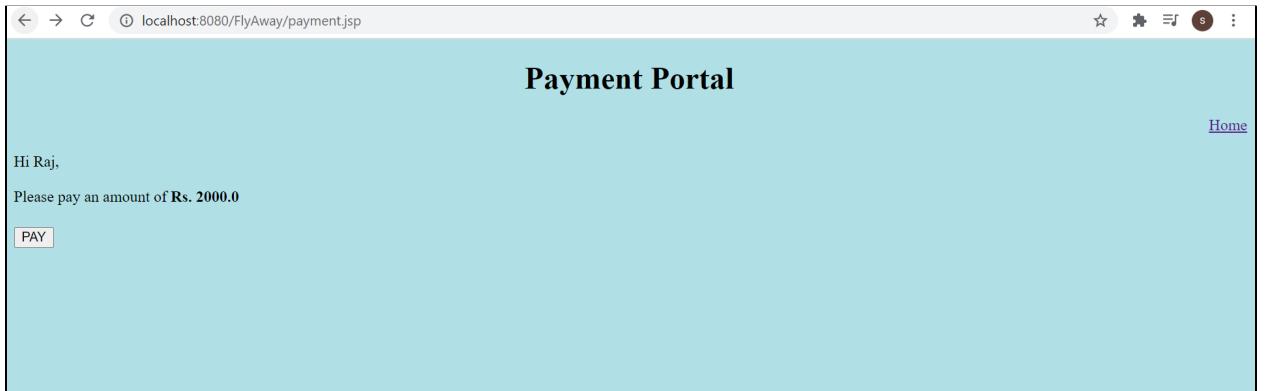

First Name:	Raj
Last Name:	Kumar
Age:	24
Address:	No.2, 2nd street
City:	Chennai
Country:	India
No. of passengers:	2

At the bottom left of the form area is a **Register** button.

4. Booking confirmation page:

5. Payment Portal:

6. Ticket confirmation Page:

The screenshot shows a web browser window with the URL `localhost:8080/FlyAway/confirm.jsp`. The page has a light blue header with the title "FlyAway Portal". Below the header, there is a message: "Thanks for Booking Raj, Your ticket details below:". A table box contains the following flight information:

Name:	Raj
Airline:	Air Asia
Source:	Bangalore
Destination:	Chennai
Departure:	2021-10-10 08:20:00.0
Arrival:	2021-10-10 11:00:00.0
Cost:	Rs. 2000.0
No. of Passengers:	2

At the bottom left of the page, there is a link: "Want to book another ticket? [Search for Flights](#)".

Admin Screens:

1. Admin Login:

The screenshot shows a web browser window with the URL `localhost:8080/FlyAway/home.jsp`. The page has a blue header with the text "Welcome to FlyAway Portal!". Below the header, there is a section titled "Enter your search criteria:" with four dropdown menus: "FROM" (Chennai[MAS]), "TO" (Chennai[MAS]), "DEPARTURE" (Date: [empty]), and "AIRLINE" (Air Asia). To the right of these fields is an "Admin Login:" box containing "User Name: sree" and "Password: ****". A "Login" button is inside the box. At the bottom left is a "Search Flights" button. The background features a photograph of an airplane flying in a clear blue sky with palm trees visible on the right.

2. Admin Home Page:

The screenshot shows a web browser window with the URL `localhost:8080/FlyAway/admin.jsp`. The title bar reads "FlyAway Admin Page". On the left, there is a link "Home". On the right, it says "Logged in as sree. [Logout](#)" and "[Change Password](#)". Below these links, the text "Select your options:" is displayed. A dropdown menu is open, showing the following options: "Add Admin", "Add Admin" (which is highlighted in blue), "Location Maintain", "Flight Details Maintain", and "Flight Maintain". To the right of the dropdown is a "Reset" button.

3. Add Admin user Page:

The screenshot shows a web browser window with the URL `localhost:8080/FlyAway/addadmin.jsp`. The title bar reads "FlyAway Admin Page". On the left, there is a link "Home". On the right, it says "Logged in as sree. [Logout](#)". Below these links, the text "Add User:" is displayed. The form fields are as follows: "User Name:" with input "kavi", "Password:" with input "••", and "Role:" with a dropdown menu set to "Admin". At the bottom of the form is a "Insert" button.

4. Location Maintain Page:

The screenshot shows a web browser window with the URL `localhost:8080/FlyAway/locations.jsp`. The title bar reads "FlyAway Admin Page". The page content includes a header "FlyAway Admin Page", a "Home" link, and a "Logout" link indicating the user is logged in as `sree`. Below this, there is a table-like structure with columns "Location Code" and "Location Name". The data rows are:

Location Code	Location Name
MAS	Chennai
BGR	Bangalore
TVM	Trivandrum
DEL	Delhi

At the bottom left, there is a "Add Location" button.

5. Add Location Page:

The screenshot shows a web browser window with the URL `localhost:8080/FlyAway/addloc.jsp`. The title bar reads "FlyAway Admin Page". The page content includes a header "FlyAway Admin Page", a "Home" link, and a "Logout" link indicating the user is logged in as `sree`. Below this, there is a section titled "Add Location:" containing two input fields: "Location Code" (with value "DEL") and "Location Name" (with value "Delhi"). At the bottom left, there are "Add" and "Reset" buttons.

6. Flight Maintenance Page:

The screenshot shows a web browser window with the URL `localhost:8080/FlyAway/flights.jsp`. The title bar reads "FlyAway Admin Page". Below the title, there are links for "Home" and "Logout". The main content area is titled "Available Flights:" and contains a table with two columns: "Flight Code" and "Flight Name". The data in the table is as follows:

Flight Code	Flight Name
AIRAO1	Air Asia
AIRAO2	Air Asia
AIRI01	Air India
AIRI02	Air India

At the bottom left of the table, there is a button labeled "Add Flight".

7. Add Flights Page:

The screenshot shows a web browser window with the URL `localhost:8080/FlyAway/addflight.jsp`. The title bar reads "FlyAway Admin Page". Below the title, there are links for "Home" and "Logout". The main content area is titled "Add Flight:" and contains a form with two input fields: "Flight Code" and "Flight Name". The "Flight Code" field has the value "AIRI01" and the "Flight Name" field has the value "Air India". At the bottom of the form, there are two buttons: "Add" and "Reset".

8. Flight schedules Maintenance Page:

The screenshot shows a web browser window with the URL `localhost:8080/FlyAway/addflightdtls.jsp`. The page title is **FlyAway Admin Page**. At the top right, it says "Logged in as sree. [Logout](#)". On the left, there is a link [Home](#). The main content area is titled **Add Flight Schedules & Details**. It contains the following form fields:

Flight Code:	Air Asia[AIRAA01]
Departure Location Code	Chennai[MAS]
Arrival Location Code	Chennai[MAS]
Departure Time	10/10/2021 08:20:00
